Ex. 7(C)

DATE/TIME

04/06/2017 1820

SUBJECT

USE OF FORCE

On the listed date, I assisted Officer Ex. 7(C) with contacting Jason Schaefer at his apartment after the fire department found a hazardous material near his storage unit.

TVFR advised Officer Ex. 7(C) they found Mercury inside of Jason's garage and just outside on the ground. TVFR was concerned about the safety of the citizens in the buildings surrounding where the mercury was found and wanted to speak with Jason to get more information from him. Officer Ex. 7(C) and I attempted to contact Jason at his apartment and I knocked on the front door.

I could hear a person inside the door and I announced "Hey partner police department". Jason said that if we entered his apartment he would treat us like an intruder and we wouldn't like what happened to us. I'd been at Jason's apartment several weeks prior and based on that contact I believe Jason has Ex. 7(C) issues and was paranoid of the police.

I did not feel safe standing in front of his door so I retreated to where Officer Ex. 7(C) was standing to give me some distance from the door. Officer Ex. 7(C) left my location to speak with TVFR while I waited near Jason's neighbors front door.

After several minutes, I heard Jason's door open and shut and I saw Jason standing outside on the walkway with a propane torch in his hand. He lit a cigarette and we talked for a while.

Jason was reluctant to give us information about what was in the storage unit but he did admit to having about a half pound of mercury in the storage unit. Jason said he studies mercury and he also he put mercury on the ground outside of his unit to keep the maintenance guys out of his garage because everybody is scared of mercury.

Jason also made statements of extracting mercury from stone using vacuum and high temperature. Jason eventually went into his apartment and we walked away. We lost visual of the apartment door and TVFR advised that Jason's once open garage door was no closed. At this point I did not know if Jason had exited his apartment and went to the garage to manually close the door. I asked Officer Ex. 7(C) to stand in a location where Ex. 7(C) could observe the garage and Jason's apartment. I left the immediate area but remained on scene.

A short time later, Officer Ex. 7(C) advised that Jason was taking down the fire tape that TVFR put up to keep the community safely out of the contaminated parking lot.

I walked to the last place I had seen Officer Ex. 7(C) to find Jason walking back up his stairs toward his apartment. Officer Ex. 7(C) Officer Ex. 7(C) and I stood in the parking lot and Jason was elevated on the walkway near the front door of his apartment.

Beaverton Police Department
OFFICIAL POLICE RELEASECASE NUMBER
GO 51 2017-960356

Jason made numerous statements that he wanted to kill the management because they entered his garage. Jason was angry that the management had opened his garage and said he had the right to kill them because of their actions. I believed based on my experience with Jason on the prior call and his behavior today that he would act on his threat to kill the management. At this point I had probable cause to believe that Jason was homicidal and a danger to the management. I made the decision to place him on a police officer hold and take him to the hospital. Officer [Ex. 6 PP / Ex. 7(C)] agreed with my decision but I did not want to try to detain him while he was elevated on the second floor walkway.

To get Jason to come down to the ground floor, I asked if he wanted to have the management arrested for trespassing and he did. I told him that he needed to sign a complaint form for the citizens arrest and he agreed. I went to my patrol car, grabbed a BPD signature form and returned to talk to Jason. Jason walked down the stairs to the first step and I showed him where to check the appropriate box and sign the form. Officer [Ex. 6 PP / Ex. 7(C)] stepped onto the stairs to get above Jason so he could prevent Jason from getting back upstairs. Jason saw the tactic and turned to run up the stairs as I grabbed his right wrist while Officers [Ex. 6 PP / Ex. 7(C)] also grabbed him.

Jason immediately began to resist and pull away. He pulled and pushed his arm which was very difficult to control. We told him to stop resisting but he would not. At one point, Jason stood up and tried to jump backwards over the railing which would have resulted in him falling several feet to the ground on his head. Officer [Ex. 6 PP / Ex. 7(C)] grabbed the front of his shirt preventing Jason from falling over the rail. We were able to get Jason off the stairs but he continued to resist our attempts to handcuff him. We had to overpower Jason and force his hands behind his back to get both wrists in handcuffs.

Prior to placing Jason into the rear of Officer [Ex. 6 PP / Ex. 7(C)] car, we searched Jason. Upon searching his upper body, I found that he was wearing body armor which is designed to stop bullets from handguns. Jason was eventually placed into the rear of Officer [Ex. 6 PP / Ex. 7(C)] car and taken to St. Vincent's Hospital.

Our contact with Jason was captured on my body camera and later downloaded to evidence.com.

SUBJECT

POH

Beaverton Police Department
Case Number 17-960356

On 4/6/17 I responded to 15278 SW Teal Blvd, to assist TVF&R who was on scene of a report of hazardous material. On scene I spoke with TVF&R personnel who advised they had located what appeared to be mercury inside the garage at the above address. According to TVF&R, they had set up a 150 foot contamination zone and were attempting to keep people away by using, Caution Do Not Cross, tape. According to Lt. Ex. 7(C) the possible exposure to mercury is severe enough for the EPA to respond and assist with containment, identification and clean up.

Due to the extreme hazardous conditions caused by mercury, TVF&R asked if we would attempt to contact the co-owner of the garage, Jason Schaefer. I contacted Sgt. Ex. 7(C) and advised what I had discovered up to that point. I requested a second officer to my location and attempt to speak with Schaefer. Our goal was to gather information about the mercury and other chemicals inside the garage to assist the EPA and TVF&R Hazmat Crew.

Initially Officer Ex. 7(C) and I attempted to contact Jason at his apartment, 15274 SW Teal Blvd Apt I. After having no answer at the door, I returned to speak with TVF&R Lt. Ex. 7(C) as Officer Ex. 7(C) remained near apartment I. I asked Lt. Ex. 7(C) if Ex. 7(C) could join Officer Ex. 7(C) and I in case Ex. 7(C) needed specific answers to Ex. 7(C) questions that I would not be able to answer. Moments later Officer Ex. 7(C) advised Jason came out of his apartment and he was speaking with him.

Lt. Ex. 7(C) and I returned to Officer Ex. 7(C). On our arrival I could see Officer Ex. 7(C) was engaging in a conversation with Jason at a distance. Please refer to Officer Ex. 7(C) report for further details regarding his conversation with Jason. Throughout our conversation Jason wanted us to keep our distance and eventually retreated to his apartment.

Officer Ex. 7(C) and I walked away from the apartment and Officer Ex. 7(C) kept an eye on the apartment from a distance. After several minutes Officer Ex. 7(C) advised Jason once again came out of his apartment and tore down the mentioned caution tape keeping people away from the hazardous material. In addition it appeared as though the garage door had been shut.

Officers Ex. 7(C) and I again attempted to speak with Jason as he stood near the railing outside of his second story apartment.

Jason was very upset as he began to yell stating, "They have to die" for invading his property. Jason added there was no other way to stop them. Jason stated numerous times that he was going to kill employees associated to the apartment complex. Both realizing Jason was an immediate danger to others, Officer Ex. 7(C) and I agreed that we needed to take Jason into custody on a POH. We also realized we were at a considerable disadvantage due to our low location with little available cover. Officer Ex. 7(C)

Beaverton Police Department
OFFICIAL POLICE RELEASE

CASE NUMBER
GO 51 2017-960356

advised Jason [Ex. 7(C)] would need him to physically sign a complaint which would at the very least get Jason at our level. At that time Officer [Ex. 7(C)] returned to [Ex. 7(C)] vehicle as I continued to speak with Jason.

Jason told me he wasn't going to involve the law or courts and he would handle the problem himself. Jason again confirmed he was going to kill apartment staff and it was the only way.

When Officer [Ex. 7(C)] returned we agreed Jason should be taken into custody on a POH and attempt to have him come downstairs where it would be safer for Jason and us. As Officer [Ex. 7(C)] waited near the bottom of the stairs I remained to [Ex. 7(C)] immediate left. Jason slowly walked down the stairs from his apartment towards Officer [Ex. 7(C)]. Jason reached the bottom of the stairs and took a pen and paper from Officer [Ex. 7(C)]. As Jason began to read the paper, I attempted to walk a few steps up the stairs to keep Jason from running back to his apartment. As Jason saw me trying to cut off his access back to the apartment he began to run back towards his apartment. Officer [Ex. 7(C)] and I grabbed Jason by the wrists and arms as Officer [Ex. 7(C)] told him he was under arrest. Jason continued to pull away from us and at one point appeared to try and jump backwards over the hand railing. During the struggle Jason jumped back over the railing so hard his feet came off the ground and he began to fall over the railing backwards. At that point we had moved approximately four or five steps up the stairs. I was able to grab Jason by the shirt, to keep him from falling over the railing, and when I did so I noticed he was wearing body armour. A few moments later Officer [Ex. 7(C)] and I were able to take Jason into custody. Once in custody we removed removed Jason's body armour and explained to him why he was being taken into custody. Officer [Ex. 7(C)] and I transported Jason to St. Vincent's Hospital where I provided hospital staff with the information I had learned up to that. Custody of Jason was transferred to hospital staff at that time. The mentioned body armour was later lodged into property as evidence.

As I transferred custody of Jason to St. Vincent's staff, I asked him if it would be ok if the EPA entered his garage to clean up the mercury. Jason told me that would be ok but he didn't want us to enter his apartment. When asked what he was so concerned about, Jason told me he was worried about his kittens. Jason told me he was worried the cat would eat her kittens if we scared her by going into his apartment. Jason told me that was his only concern about us entering his apartment.

■ Before leaving the hospital I contacted Detective [Ex. 7(C)] per Sgt. [Ex. 7(C)] request. Detective [Ex. 7(C)] advised he had located Jason's [Ex. 6 PP / Ex. 7(C)] in New York and was able to gather information about his mental health history. Detective [Ex. 7(C)] provided that information to St. Vincent's staff. Please refer to Detective [Ex. 7(C)] report for further details.

Officer [Ex. 7(C)] and I returned to the scene where I spoke with on sight [Ex. 6 PP / Ex. 7(C)] told me they have received numerous complaints about Jason in the past few months. The complaints range from noise complaints to suspicious smells and hazardous material/drug activity calls.

According to [Ex. 6 PP / Ex. 7(C)] the complex has already started the eviction process and gave Jason until 4/3/17 to fix several documented issues. [Ex. 6 PP / Ex. 7(C)] advised Jason had not fixed the problems and the eviction process was moving forward.

Beaverton Police Department
OFFICIAL POLICE RELEASECASE NUMBER
GO 51 2017-960356

Prior to police contact on 4/6/17, [Ex. 6 PP / Ex. 7(C)] told me [Ex. 6 PP / Ex. 7(C)] had already left a message with [Ex. 6 PP / Ex. 7(C)] on moving forward with Jason's eviction. [Ex. 6 PP / Ex. 7(C)] was waiting for a return phone call when [Ex. 6 PP / Ex. 7(C)] [Ex. 6 PP / Ex. 7(C)] told [Ex. 6 PP / Ex. 7(C)] saw what appeared to be mercury on the floor directly outside Jason's garage. That was when [Ex. 6 PP / Ex. 7(C)] called 911 and TVF&R responded. Once TVF&R confirmed the presence of a 1/2 pounds of mercury inside the garage, [Ex. 6 PP / Ex. 7(C)] called [Ex. 6 PP / Ex. 7(C)] again. Due to the health hazard to all residents near the garage and apartment, [Ex. 6 PP / Ex. 7(C)] advised they were applying for a 24 hour emergency eviction. In addition, [Ex. 6 PP / Ex. 7(C)] was instructed by [Ex. 6 PP / Ex. 7(C)] attorney to enter the apartment to insure the safety of all residents near or adjoined to the apartment. Due to obvious safety concerns [Ex. 6 PP / Ex. 7(C)] asked for our assistance in rendering the apartment safe.

Detective [Ex. 6 PP / Ex. 7(C)] (WIN), Sgt [Ex. 6 PP / Ex. 7(C)] (WIN), [Ex. 6 PP / Ex. 7(C)] (Washington County Animal Control) and several Portland Police EUD units arrived on scene per our request. Detective [Ex. 6 PP / Ex. 7(C)] spoke with the on duty Washington County District Attorney and all available information was provided to Sgt [Ex. 6 PP / Ex. 7(C)] and Lt. [Ex. 6 PP / Ex. 7(C)] on scene. The decision was made to enter, secure, and make safe apartment I. In that process Washington County Animal control took temporary custody of two cats and four kittens inside the apartment. Detective [Ex. 6 PP / Ex. 7(C)] was able to put Jason's [Ex. 6 PP / Ex. 7(C)] into contact with Washington County Animal Control to take care of the mentioned cats and kittens.

Once rendered safe, the keys to the apartment, provide by apartment management, were returned to [Ex. 6 PP / Ex. 7(C)]. I provided [Ex. 6 PP / Ex. 7(C)] with a case number and my contact information. I asked [Ex. 6 PP / Ex. 7(C)] to contact me if [Ex. 6 PP / Ex. 7(C)] has any further questions or concerns.

There is nothing further at this time. Anything further will be made a matter of report.

Beaverton Police Department
Case Number 17-960356

On 4/6/17 I responded to the area of 15274 SW Teal Blvd, to assist Tualatin Valley Fire and Rescue on a report of hazardous substance at the location. At the conclusion of the investigation Jason Schaefer was taken into custody on a Police Officer Hold after threatening to kill apartment complex employees.

While taking Jason into custody I discovered he was wearing a body armor vest. At the time Officer **Ex. 7(C)** and I removed the vest and Jason was transported to St. Vincent's Hospital on a POH.

Back at BPD I discovered the vest Jason was wearing was a Point Blank, Level IIIA body armor vest.

Ex. 6 PP / Ex. 7(C)

I completed a Probable Cause Flyer for Jason as I currently have probable cause to arrest him for Felon in Possession of Body Armor. Detective **Ex. 7(C)** has requested that BPD be noticed prior to his release from St Vincent's Hospital so he may be taken into custody. The mentioned flyer has been sent out to all BPD personnel.

There is nothing further at this time. Anything further will be made a matter of report.

SUBJECT SUMMARY	

Follow-up arrest for Ofc. Ex. 7(C) regarding a felon in possession of body armor.

NARRATIVE

AUTHOR Ex. 7(C)	DATE/TIME 04/10/2017 1254
SUBJECT NARRATIVE	

FOLLOW-UP ARREST

On April 10, 2017, at 1031 HRS, BPD Sgt. Ex. 7(C) assigned me to respond to St. Vincent Hospital to take Schaefer, Jason Paul into custody. Sgt. Ex. 7(C) informed me that the probable cause for Schaefer's arrest was developed by BPD Ofc. Ex. 7(C). Sgt. Ex. 7(C) told me that Ex. 7(C) was also at the incident where Schaefer was found to be wearing body armor when he was arrested on a Police Officer Hold.

At 1058 HRS, I placed Schaefer into custody for Felon in Possession of Body Armor. After I transported Schaefer to BPD, I read Ofc. Ex. 7(C) probable cause information. I then learned that on April 6, 2017 Ofc. Ex. 7(C) responded to the area of 15274 SW Teal Blvd., Beaverton, Oregon to assist Tualatin Valley Fire and Rescue on a report of a hazardous substance. During the investigation, Schaefer, Jason Paul was taken into custody on a Police Officer Hold after threatening to kill apartment complex employees.

I then read that as Ofc. Ex. 7(C) placed Schaefer into custody, Ofc. Ex. 7(C) discovered that Schaefer was wearing a Point Break, Level IIIA body armor vest. Ex. 6 PP / Ex. 7(C)

Ex. 6 PP / Ex. 7(C)

When I placed Schaefer into custody, Schaefer asked me why he was being arrested. When I told Schaefer what the criminal charge was for his arrest, Schaefer seem surprised.

ARREST

Per Washington County Judge Bailey, Schaefer's bail was raised to \$150,000.00. Schaefer was lodged at the Washington County Jail.
